We declare that we have complied with the applicable security requirement in Schedule 1 according to The Product Security and Telecommunications Infrastructure (Security Requirements for Relevant Connectable Products) Regulations 2023.

The defined support period in terms of security update is three years from the date of manufacture.

The date of manufacturer is found in the serial number, placed on the product.

xxxxYYWWxxxx

YY = Year

WW = Week

If a suspected software security issue or flaw has been discovered,

scan the QR code to get to the reporting page or visit https://ctc-heating.com/cyber-security to report.
