CTC SmartControl

The Solution for Smart Homes

Heating, hot water and ventilation are optimised with CTC SmartControl

A

B

ENERGY FLEX

CTC SmartControl ensures that heating, hot water and ventilation are optimised

The system is based around CTC SmartControl Gateway, a base unit able to control up to seven optional wireless accessories.

The series consists of several smart accessories: a wireless room sensor powered by solar cells, and a multi-button able to control a number of different functions, such as additional hot water. If your home has thick floors and walls, you may need to amplify the signal. A repeater is available which amplifies signals between the various accessories.

Humidity and CO_2 sensors are also available which can control ventilation as needed. The humidity sensor automatically increases ventilation in shower or laundry rooms when the air humidity increases. The CO_2 sensor ensures that ventilation is decreased when no one is home, and is able to increase ventilation when family or friends come to visit.

CTC SmartControl ensures that ventilation is always optimised to provide consistently good air quality and that both ventilation and energy consumption are maintained at optimal levels.

SMART CONTROL

A series of smart wireless sensors that control temperature, humidity and carbon dioxide

CTC SmartControl Gateway
Base unit able to control up to seven optional accessories.

CTC no.: 588300301

CTC SmartControl Repeater
Signal amplifier that amplifies signals between the various accessories whenever necessary.

CTC no.: 588300302

CTC SmartControl Room Sensor
Solar-powered wireless room sensor with rechargeable battery.

CTC no.: 588306301

CTC SmartControl Room/Humidity Sensor
Solar-powered wireless room sensor with rechargeable battery.

CTC no.: 588305301

CTC SmartControl Room/Humidity/CO$_2$ sensor
Sensor that controls ventilation whenever necessary, ensures optimal ventilation for consistently good air quality, and ensures that both ventilation and energy consumption are maintained at optimal levels.
CTC no.: 588300303

CTC SmartControl Multi-button
Wireless 2-mode button able to control several different functions, such as additional hot water.

CTC no.: 588307301

CTC SmartControl

The Solution for Smart Homes

Compatible heat pumps/control units:

CTC EcoVent i350F	from 7208-1727-1411
CTC EcoZenith i350 H	from 7208-1743-2561
CTC EcoZenith i350 L	from 7208-1743-2361
CTC GSi 8-16	from 7208-1743-1770
CTC GS 6-8	from 7310-1720-0792
CTC EcoHeat 400	from 7310-1740-1548
CTC EcoZenith i250 H	from 7208-1744-2642 *
CTC EcoZenith i250 L	from 7208-1738-2082 *

* not for ventilation control
